

Website Legal Policies

Effective date: October 26, 2026

Scope

These Website Legal Policies apply to www.slabshaper.com and Slab Shaper forms embedded on other websites. "We," "us," and "our" mean Slab Shaper. Our separate Privacy Policy describes how we handle personal information; our Customer Terms and Conditions govern approved purchases and services.

Website terms of use

By using our website, you agree to these website-use terms. Website content is provided for general information. Quotes, product listings, availability, and displayed pricing are subject to verification and written order confirmation. A submitted form is a request for review, not an accepted order or a reservation of inventory.

A salesperson contacts the customer to confirm measurements, fit, availability, delivery, and final pricing. Any discount is confirmed directly by the salesperson. The current request form does not collect online payment. Payment terms are stated in the approved quote or order.

Product information and images

Website images and samples are representative. Natural stone varies in color, veining, texture, pattern, and thickness. Engineered quartz and other manufactured products can vary by batch and finish. Screens, lighting, and photography can affect appearance. A displayed finish does not guarantee an identical result on every slab.

Pricing, specifications, and availability may change before an order is confirmed. Inspect and approve the actual material and written specifications before fabrication. Slab Shaper warranty coverage is one year, subject to the scope and conditions in our Customer Terms and Conditions.

Measurements and professional templating

ALL MEASUREMENTS ARE THE RESPONSIBILITY OF THE PURCHASER unless Slab Shaper is engaged to take them. Optional professional templating costs \$150: our professional template staff come to your location, measure, and guarantee the measurements they take. This service is available throughout all delivery areas.

Face the front of the cabinet. Choose one reference side, LEFT or RIGHT, for the entire piece. Use that same finished edge for total length and all sink and faucet centerlines; dual-side measurements are not accepted. Include approximately 1.5 inches of overhang at a non-wall end where appropriate.

Website liability and governing law

To the maximum extent permitted by applicable law, Slab Shaper is not liable for indirect or consequential damages arising from website use. This provision does not exclude liability or consumer rights that cannot legally be excluded. Texas law governs these website-use terms, subject to applicable mandatory law.

Privacy notice

We collect information voluntarily submitted through forms, quote requests, appointments, email, and communication opt-ins, as well as technical information collected by our website and service providers. We use it to respond, estimate, schedule, provide services, communicate, and improve our business. Please read the separate Slab Shaper Privacy Policy for details, sharing practices, and privacy-request instructions.

SMS terms

If Slab Shaper offers text messaging and you opt in, messages may include appointment reminders, estimate notifications, project updates, customer service, and promotional messages covered by your consent. Providing a phone number alone does not authorize promotional texts.

Message frequency varies. Message and data rates may apply. Reply STOP to unsubscribe or HELP for assistance. Consent is not a condition of purchase. SMS consent is not shared with third parties for their own marketing purposes. Contact us at (469) 917-6700 or info@slabshaper.com for help.

Cookie notice

The website and connected forms may use cookies and similar technologies for functionality, security, and performance. Analytics and advertising tools, where enabled, may measure traffic and advertising performance. See the Privacy Policy for more information and available choices.

Accessibility assistance

If you have difficulty accessing any part of this website, its forms, or downloadable documents, please contact info@slabshaper.com or (469) 917-6700. Describe the page or document and the assistance you need so we can help.

Contact and updates

Slab Shaper
300 Temple Hall Highway, Granbury, TX 76049
